

# GPSC Portal Codes

## Quick Reference Guide

This short guide will provide you with key information about the updated changes to GPSC portal codes effective January 1, 2021.

Read below for best practice recommendations on how to take advantage of the incentive codes.

### Challenge

### DoctorCare Best Practices and Recommendations

What is the GPSC Portal Code?

- The GPSC Portal Code (G14070) is a code that is required to be submitted at the beginning of each year in order to have access to the following incentive codes: G14075, G14076, G14066, G14078, and G14029.
- For locums, you can bill the 14071 code.

What are the billing requirements?

- Must be working fee-for-service.
- Must have provided long-term relationship based care for a panel of patients.
- Must have billed the 14070 in the previous calendar year and the current calendar year, prior to June 19 this calendar year.

Who can bill the GPSC Code?

- You can bill the 14070 code if you:
  - Are a Community Longitudinal Family Physician (CLFP)
  - Are the Most Responsible Physician/Provider (MRP) for the majority of the patient's longitudinal primary medical care
  - Confirmed your doctor-patient relationship with your existing patients
  - Provided a list of active patients whom you are the MRP

Who can bill the GPSC Code for Locums?

- You can bill the 14071 code if you:
  - Are providing community longitudinal family practice services to the patients of host physicians, and will continue to do so for the duration of any locum coverage for a family physician who has submitted 14070.

## Challenge

## DoctorCare Best Practices and Recommendations

What is the amount that can be received from the incentives?

- An eligible physician will receive a total annual payment amount ranging from \$3,000 - \$12,000, with exact payment amount per individual physician.

How to submit the GPSC Portal Code?

- Use the diagnostic code 780 and the following "Patient" demographic information:

PHN#: 975 303 5697

Patient Surname: Portal

First name: GPSC

Date of Birth: January 1, 2013

- Once processed by MSP, this will then allow access to G14075, G14076, G14077, G14078 and G14029 for the balance of that calendar year.

How to submit the GPSC Portal Code for Locums?

- The GPSC Locum Portal code (G14071) may be submitted by the GP who provides locum coverage for Family Physicians who have submitted G14070. This code will still need to be submitted at the beginning of each calendar year or prior to providing the locum coverage. In order to submit G14071, you'll need to follow the same exact steps as submitting for the GPSC Portal Code (shown above).
